**New Jersey Civil Service Commission to Host Statewide Job Fair in June**

**TRENTON, NJ** – The New Jersey Civil Service Commission (CSC) will be hosting a Statewide Job Fair on Wednesday, June 14, 2023 at the Mercer County Community College Fitness Center, 1200 Old Trenton Road in West Windsor, NJ from 9:00am to 1:00pm.

Approximately 45 state departments, agencies, colleges and universities will be in attendance to promote their missions, explain their organization's responsibilities, highlight open job positions, promote opportunities for career advancement, and more.

"CSC remains committed to supporting diversity in New Jersey's workforce in state government. This job fair is ideal for individuals who are interested in pursuing a career in State government," said Allison Chris Myers, Acting Chair & Chief Executive Officer of the New Jersey Civil Service Commission. "We are excited and honored to host this event for students, graduates, and even experienced professionals seeking a career change. There are hundreds of job opportunities available in various trades and occupations, such as information technology, academic advising, nursing, clerical roles, and human services aides, among many others. This job fair comes at a point in time when the hiring needs of appointing authorities is at an all-time high, and CSC aims to address these needs efficiently and effectively. Public service is in need of all talents, so please don't miss out on this enormous opportunity for career advancement with the State of New Jersey."

Around 1,000-plus attendees are anticipated to participate in this statewide event, particularly recent graduates and soon-to-be graduates who may benefit the most from the job fair's potential career opportunities.

"It is our desire to promote diversity, equity and inclusion with the active recruitment and acquisition of talented and qualified individuals," said Dr. Charlie Williams, Director of CSC's Office of Diversity Programs. "Furthermore, this is yet another opportunity for New Jersey's hiring entities to emphasize the importance of the 'State As a Model Employer' (SAME) program, which emphasizes CSC's active role in advancing the recruitment, hiring, retention and advancement of people with disabilities in the State workforce."

Some of the government agencies, colleges, and universities that will be hiring at the event include: NJ Department of Health, Stockton University, NJ Department of Education, State of New Jersey Judiciary, NJ Department of Corrections, NJ Civil Service Commission, and more.

To register for this free event, interested persons can submit the following form: <https://forms.office.com/pages/responsepage.aspx>
