NJ Civil Service Commission to Host Statewide Career Resource Fair in August

TRENTON, NJ - The New Jersey Civil Service Commission (CSC) invites job seekers from across the state to explore rewarding careers in public service at its **Statewide Career Resource Fair** on **Wednesday, August 19, 2026**, from 10:00 a.m. to 3:00 p.m. at the Mercer County Community College, West Windsor Campus Conference Center, 1200 Old Trenton Road, West Windsor, NJ 08550.

This free event will connect job seekers with representatives from state and local government agencies that are actively recruiting for positions across a wide range of professions and experience levels. Attendees will have the opportunity to learn about available careers, meet directly with hiring representatives, and gain valuable insights into state and local government hiring processes.

"Every great public servant begins their journey with an opportunity," said **Mary Cruz, Acting Chair and Chief Executive Officer of the New Jersey Civil Service Commission**. "The Civil Service Commission is dedicated to empowering excellence in public service, and this Statewide Career Resource Fair is an opportunity for New Jersey residents to discover meaningful careers that make a difference in their communities. Whether you are entering the workforce, looking to advance your career, or considering a new professional path, we encourage you to attend, connect with hiring agencies, and explore the many rewarding opportunities available in New Jersey's public service sector."

Throughout the day, attendees can participate in live candidate screenings for selected job vacancies, complete typing certification assessments required for many clerical roles, and visit recruitment tables staffed by representatives from state and local government agencies. The event will also feature an information session and resource panel during which hiring

professionals will discuss career opportunities in government, explain the hiring process, and answer questions from participants.

The fair welcomes job seekers of all experience levels, including high school graduates, college students and recent graduates, entry-level and experienced professionals, skilled trades workers, technical professionals, supervisors and managers, and individuals interested in changing careers.

Public service career opportunities are available in numerous fields, including administrative and office support, accounting and finance, information technology, human resources, healthcare and human services, skilled trades and maintenance, education, transportation, public safety, engineering, construction and environmental services, legal professions, and a variety of professional and entry-level positions.

While advance registration is encouraged, walk-ins are welcome. Attendees are encouraged to upload their resumes before attending by scanning the event QR code on the flyer or visiting www.surveymonkey.com/r/FZCQ3TW.
