New Jersey Civil Service Commission Launches New Online Appeal Filing System

TRENTON, NJ – The New Jersey Civil Service Commission has launched a new online Appeal Filing System to meet the needs of the Civil Service community. The Appeal Filing System provides an alternate method for filing appeals and requests for relief.

The Appeal Filing System is an initial filing platform to facilitate the filing of timely appeals. As in the other filing methods, the parties will have the opportunity to supplement their appeals or request for relief and pay the filing fee, as applicable, by mail pursuant to current practice. In addition to online filing, appeals may continue to be filed by mail and fax. The Appeal Filing System will be maintained by the Division of Appeals and Regulatory Affairs (DARA), whose main function is to administer the disposition of various types of appeals.

"We are thrilled to introduce the new online Appeal Filing System, which marks a step forward in enhancing accessibility and efficiency for the Civil Service community," said Allison Chris Myers, Chair/Chief Executive Officer of the Civil Service Commission. "This initiative reflects our commitment to providing innovative solutions that uphold the principles of merit, fairness, and equal opportunity."

Civil Service is a system of public employment involving many State and local government agencies that is designed to select and promote employees based on merit, safeguard the employment rights of permanent employees, and ensure equal employment opportunity.
