Division of Fire Safety

AGENCY REQUEST FOR PROPOSAL

Introduction: The New Jersey Department of Community Affairs, Division of Fire Safety is seeking a proposal from a qualified agency or service to provide fire code and related standards expert services, analysis, guidance and/or code development, specifically:

Provision of code consulting services dealing with the preparation of a draft of the New Jersey Register rule proposal and final adoption for the updating of the current 2006 International Fire Code, New Jersey Edition to the 2015 International Fire Code, New Jersey Edition.

Summary: The vendor will be responsible to go through and review the 2015 International Fire Code and identify the changes that need to be made specific to New Jersey. This will be accomplished by utilizing the 2006 New Jersey Edition of the International Fire Code to compare and ensure all changes are incorporated, and a complete review of the 2015 International Fire Code will need to be conducted to ensure that all necessary New Jersey specific changes are made.

Deadline: February 3, 2017
