##### N.J.A.C. 5:23-3.4

**Take notice** that the Department of Community Affairs (Department) discovered errors in the text of N.J.A.C. 5:23-3.4, Responsibilities. These errors stem from the adoption of the 2021 model codes, which resulted in formatting and other errors within the responsibilities tables. This Notice of Administrative Correction corrects the placement and titles concerning International Swimming Pool and Spa Code sections in Chapter 31 of the building subcode responsibilities at N.J.A.C. 5:23-3.4(a)1. Additionally, language is included at Section 3109 within Chapter 31 of the building subcode responsibilities at N.J.A.C. 5:23-3.4(a)1 to be in line with the language in the one- and two-family dwelling subcode. Finally, this Notice of Administrative Correction deletes extraneous responsibilities that are not tied to any code section within Chapter 9 of the one- and two-family dwelling subcode responsibilities at N.J.A.C. 5:23-3.4(a)6.

The Department has requested, and the Office of Administrative Law has agreed to, such correction be made administratively. This notice of administrative correction is published pursuant to N.J.A.C. 1:30-2.7.

**Full text** of the corrected rule follows (addition indicated in boldface **thus**; deletion indicated in brackets [thus]):
