Neighborhood Revitalization Tax Credit (NRTC) Program

Business Entity Application Instructions

Overview: The Neighborhood Revitalization Tax Credit (NRTC) Program accepts applications from Business Entities for NJ state tax credits in equal exchange for program fund contributions through a prescribed competitive application process. Business Entity applicants select projects to fund from the Qualified Projects Pool (QPP) published on the NJ Department of Community Affairs (DCA) website.

Program Funding:

- NRTC tax credits available: **$15,000,000**
- Minimum tax credit application request: **$25,000**
- Maximum tax credit application request per business entity: **$1,000,000**
- Maximum funding request per qualified project: **$800,000**

Eligibility:

Business Entities with a NJ State Tax Liability are eligible to apply.

How to Apply:

- View the **Qualified Projects Pool (QPP) 2026 for State Fiscal Year 2027** on the NRTC website.
- Use the **Qualified Projects Pool Selection Worksheet** to select qualified projects.
- Connect with the lead community-based nonprofits to learn more about the qualified projects.
- Visit the NRTC website on **Monday, November 30th at 9am** to access the **2027 Business Entity Application**.
- For the best chance of receiving the total amount of tax credits requested, list 3 or more qualified projects and "over-designate" funds on the application.
- Complete and submit the online application.
- Applications will be assigned a number and processed in the order received.
- The assigned Business Entity Application number will be emailed to the applicant.
- Funds will be designated to projects **LIVE** on Teams on **Monday, December 7th at 10:30 am**.
- The designation results will be available immediately to investors but will be considered "unofficial" until Commissioner-approved.
