Dear Ride Owner:

According to N.J.A.C. 5:14A -2.10 an annual permit for an amusement ride cannot be issued if there is an outstanding violation against that ride. Our records indicate that outstanding violation notices have been issued for one, or more, of the ride(s) applied for on your permit renewal application. In order to expedite issuance of the permit for these rides, you may fill out the attached certification, attesting to the fact that the violation(s) has been abated and return it to the Department. The Department will then issue the permit and verify the violation has been abated at the time it performs the annual inspection. If you choose not to fill out the certification, you must arrange for an inspection of the ride prior to the annual permit being issued. If your records do not show any outstanding violations, or if you have other questions, please call the Carnival and Amusement Ride Safety unit at (609) 292-2097, fax information to (609) 984-7084, or email rides@dca.nj.gov.
