Debut of Local Finance Notice Searchable Index

The Division of Local Government Services now offers a searchable Excel index of all Local Finance Notices currently posted on our website. These Notices date from 1998 to present, with some pre- '98 Notices also included. The index will be updated on a periodic basis and can be accessed on the Division's [website](#) where the [2015 Local Finance Notices](#) are posted.

The Excel-based index not only allows Local Finance Notices to be searched by keywords in a title, but also to be searched and sorted by year, number, date and category. Links to individual Local Finance Notices are in the rightmost column. Categories are as follows (Local Finance Notices can be classified under more than one category):

- Auditing
- Best Practices
- Declared Emergencies & Natural Disasters
- Fire Districts
- Length of Service Awards Program (LOSAP)
- Local Authorities
- Local Government Ethics
- Miscellaneous
- Municipal/County Budgeting & Finance
- Pensions & Health Benefits
- Procurement
- Property Tax Levy Cap
- State Aid to Municipalities
- Tax Collection
- Transitional Aid

This index is a further development of an Excel document originally created by Jon Reinhardt, Administrator/CFO of Wharton Borough and current Secretary of the Government Finance Officers Association of New Jersey (GFOA-NJ). The index will make searching for Local Finance Notices on a variety of topics a much easier process. We welcome any suggestions on further improvements.
