SFY 2013 CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund or other lawful means.

CAPITAL BUDGET	- A plan for all capital expenditures for the current fiscal year. If no capital Budget is included, check the reason why.	
	 Total capital expenditures this year do not exceed \$25,000, including fund, No bond ordinances are planned this year. 	appropriations for Capital Improvement
CAPITAL IMPROVEMENT PROGRAM	- A multi-year list of planned capital projects, including the current year. Check appropring including current year:	ate box for number of years covered,
	3 years. (Population under 10,000) 6 years. (Over 10,000 and all county governments) years. (Exceeding minimum time period) Check if municipality is under 10,000, has not expended more than \$25,000 annually for previous three years, and is not adopting CIP.	or capital purposes in immediately

The City of Paterson's FY 2013-2018 Capital Improvement Program (CIP) and the program's annual component, the FY 2013 Capital Budget, is a conservative approach to both develop and redevelop the City's infrastructure as well as to acquire equipment to achieve these goals.

Thus, the FY 2013-2018 CIP is an attempt to physically improve the City by the utilization of an efficiently managed and implemented operation. It should be noted that this FY 2013-2018 CIP is subject to change to implement certain not now known projects which may come to light in the future, thus possibly deferring one or more of the projects listed in this program or forestalling the acquisition of certain equipment.
