PUBLIC COMMENT

Cheryl Bozinis, resident of Berkeley Township, addressed the members of the Board. She asked the Board to deny the application from the Walters Group for funding of Berkeley Family Apartments whenever it is presented for consideration.

She indicated the project is seeking $15 million in funding from the Fund for Restoration of Multifamily Housing (FRM) Tranche 2. Ms. Bozinis stated the project does not qualify for FRM funding for the following reasons:

- This new construction project does not satisfy an unmet need because Berkeley has satisfied its affordable housing needs. She stated there are several existing income restricted properties in Berkeley that are vacant.
- The project does not provide “prompt” construction of housing since it is now 3 years after the storm occurred.
- FRM funding requires municipal support and Berkeley’s municipal leaders do not support the project. The developer is forcing the town to provide low and moderate-income units through litigation.
- The sponsor has not indicated how this project will help Sandy victims. The commenter stated the Sandy dollars are helping the wrong people – it should go to homeowners that were impacted by the storm.

In addition, Ms. Bozinis stated the project is financially draining the taxpayers of Berkeley by seeking a tax abatement.
