NOW, THEREFORE in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, NJHMFA and Participant hereby agree as follows:

1. Definitions,
   a. Blind Service Providers are defined as agencies serving specific protected client populations. Those client populations typically have one or more of the following issues: (1) domestic violence; (2) HIV/AIDS; (3) Alcohol and/or substance abuse; or (4) mental health.
   b. Client is defined as a consumer of services.
   c. Client records are defined as Private Personal Information (PPI) collected and stored in a computer system.
d. Close to real-time data entry is defined as within three (3) working days of seeing the Client.

e. Partner Agencies are a group of agencies working together to provide services to homeless and low-income individuals and families and they participate in the New Jersey HMIS.

2. **Participation Fee.** Each Participant will be charged an annual participation fee to be involved in the NJHMIS Collaborative. The annual fee will be invoiced and payable to the NJHMFA. The annual fee in the amount of seven Hundred and fifty ($0.00) dollars is due prior to the Participant’s activation in the NJHMIS system. The annual fee is subject to change, in the sole discretion of the NJHMFA *(See Amendment “A”)*.

3. **Confidentiality.** HMFA and Participant agree that the data, information and client records, related documentation, and data stored electronically relating to NJHMIS is confidential and shall be handled as follows:

   a. The Participant shall comply with all Federal, State and Local laws and regulations pertaining to confidentiality of information and records to ensure that client records are protected and not subject to disclosure. The Participant shall only release client records to Non-partner agencies with written consent by the client, unless otherwise provided in the relevant laws and regulations.

   b. The Participant shall abide by all Federal, State and Local confidentiality laws and regulations pertaining to:

      1) all medical conditions, including, but not limited to, mental illness, alcohol and/or drug abuse, HIV/AIDS testing, diagnosis and treatment and other such covered conditions; and

      2) a person’s status as a victim of domestic violence.

   A general authorization for the release of medical or other information is NOT sufficient for this purpose.

   c. Federal, State and Local laws seek to protect the privacy of persons with physical and/or mental illness, who have been treated for alcohol and/or substance abuse, have been diagnosed with HIV/AIDS, and/or have been a victim of domestic violence. e. The Participant agrees not to release any individual client information obtained from the NJHMIS to any organization or individual without prior written Client consent. Such written Client consent shall specify exactly what information the Client allows to be released. Information that is not approved for disclosure, in writing, by the Client shall not be released. The Participant agrees to provide access (including a copy) of the client’s own protected information to the client within thirty (30) days of the client’s written request to the Participant.

The NJHMFA reserves the right to review Participant’s polices and procedures, review discipline and seek remedies, in its sole discretion, against anyone found to have willfully committed a breach of system security and/or client confidentiality.

h. In the event of a breach of system security or client confidentiality, the Participant Administrator shall notify the NJHMIS Project Manager within 24 hours. Any Participant that is found to have had breaches of system security and/or client confidentiality shall enter a period of probation, during which technical assistance shall be provided to help the Participant prevent further breaches. Probation shall remain in effect until the Project Manager has evaluated the Participant’s security and confidentiality measures and found them compliant with the policies stated in this Agreement and the User Policy, Responsibility Statement, and Code of Ethics Agreement. Subsequent violations of system security may result in suspension from the system. The NJHMFA reserves the right to conduct routine and random audits to monitor security and client confidentiality.

i. The Participant understands that the NJHMIS fileserver, which shall contain all HMIS-entered Client information, shall be located off-site in a physically secure and electronically monitored facility, and that the client information in the NJHMIS system is backed up and taken off-site daily. The Participant further understands that the fileserver containing all HMIS-entered Client information is maintained by vendor contracting with NJHMFA to provide said services. The contractor vendor has access to client information, said access being necessary to provide technical services to the NJHMFA. Further, the contractor has agreed to keep all
information confidential and maintained in accordance with HUD privacy standards.

j. The Participant may have access to all Client data entered by the Participant. The Participant shall diligently record in the NJHMIS all service delivery information pertaining to individual clients served by the Participant. The Participant shall not, under any circumstances, knowingly enter false, misleading or biased data, including any data that would unfairly prejudice a client’s ability to obtain services.

l. The Participant shall utilize the NJHMIS Client Consent—Release of Information form for all clients providing information to the NJHMIS. The Client Consent—Release of Information form, once agreed to and signed by the Client, authorizes Client data to be shared with Partner Agencies for the period of [number] year(s), subject to the restrictions defined by the Client Consent form. (See Exhibit A).

m. Participants’ utilizing their own HIPAA-compliant Consent to Release Information for Data Sharing form should incorporate the first two paragraphs from the NJHMIS Collaborative form titled “Client Consent – Release of Information for Data Sharing” into their form. Agencies not using HIPAA-compliant consent for release of information forms shall use the NJHMIS Collaborative Client Consent – Release of Information for Data Sharing form.

n. All Participants are required to submit a copy of their consent form to the NJHMFA for review and confirmation that the form is in compliance with HUD requirements. Participants agree that the Participant is solely responsible for making sure their consent form meets HUD standards. Participants shall not rely upon the NJHMFA’s review and shall hold the NJHMFA, its staff, officers, members and affiliates, harmless from and against any and all claims for damages, losses, liabilities, costs or reasonable expenses related to consent form and HUD requirements under this Agreement.

o. The Participant shall keep original signed copies of the Client Consent -- Release of Information for Data Sharing form for a period of no less than five (5) years.

p. In no way does the NJHMIS require or imply that services must be contingent upon a Client’s participation in the NJHMIS database. Participant shall provide services to Clients regardless of Client’s
participation in NJHMIS, provided the Clients would otherwise be eligible for the services.

1. The Participant shall have access to identifying and statistical data on all Clients who consent to have their information entered in the NJHMIS database, except for data input into the database by “Blind Service Providers”.

q. A Participant that is a Blind Service Provider shall have access to identifying and statistical data that the Participant inputs into the NJHMIS database for clients served by that Participant.

NJHMFA shall announce approved modifications in a timely manner.

   b. The Participant shall only enter individuals in the NJHMIS database that exist as Clients under the Participant’s jurisdiction. The Participant shall not use the NJHMIS database with intent to defraud federal, state or local governments, individuals or entities, or to conduct any illegal activity.

Client Consent – Release of Information for Data Sharing via NJHMIS

The NJHMIS Collaborative Homeless Management Information System (HMIS) serves the New Jersey Continuums of Care communities and State agencies which include partner agencies working together to provide services to individuals and families in New Jersey who are homeless or at risk of becoming homeless. Information collected in the HMIS database is protected in compliance with the standards set forth in the Health Insurance Portability and Accountability Act (HIPAA) and the U.S. Department of Housing and Urban Development HMIS Data Standards. Every person and agency that is authorized to read or enter information into the HMIS database has signed an agreement to maintain the security and confidentiality of the information. Any person or agency that is found to violate their agreement may have their access rights terminated and may be subject to further penalties. The HMIS database operates over the internet and uses security protections to help ensure confidentiality. Please read the following statements (or ask to have them read to you) and make sure you have had an opportunity to have your questions answered.

I UNDERSTAND THAT:

- The collection and sharing of my information is to understand my needs and assist me as a consumer.
- The partner agencies may share limited identifying information about the consumer(s) they serve with other parties working to end homelessness.
- The release of my information does not guarantee that I will receive assistance.
- The release of my information will include the Coordinated Assessment Tool which will be shared with all NJHMIS partner agencies that I will be referred to. I further understand that this consent allows the agencies I will be referred to, their employees and agents, to release and exchange any and all information in the Coordinated Assessment Tool.
- This release of my information may include any and all publicly (county, state or federal) funded cash disbursements received.
- This authorization will remain in effect unless I revoke it in writing, and I may revoke authorization at any time by signing a written statement or Revocation Form.
- If I revoke my authorization, all information about me already in the database will remain, but will become invisible to all of the partner agencies, except any and all publicly (county, state or federal) cash disbursements.
- If I am applying for county, state or federal cash disbursements such as SSH, HPRP, and TANF Emergency Assistance, this information will be shared with NJHMIS Collaborative users and State agencies.

By signing this form, I agree to share the following level of information with other NJHMIS partner agencies via the NJHMIS computer system:

☐ A) I agree to share my name (First, Middle, Last), client gender, ancestry, program enrollment and exit dates, demographic information, miscellaneous information, contact information, and cash disbursement information via the HMIS system with other NJHMIS partner agencies.

☐ B) I do not agree to share any of my information via the HMIS system with other HMIS partner agencies via the NJHMIS computer system. Exception is any and all publicly funded cash disbursements as noted above.
