In furtherance of this coordination, the Contractor will be expected to advise OHP on existing CLPD processes and to solicit the participation of PWLEE communities and advisory boards to participate in the codesign of policy and advocacy work around addressing equity and integrating voices of those impacted by homelessness into the system planning work. This process should result in a substantive plan to address and incorporate the challenges and opportunities to deploy a statewide CLPD process for system design and service delivery over a three (3) year period. Bidders must therefore demonstrate significant experience in working in a multidisciplinary professional and community environment with a diverse stakeholder base.

Contractor may be tasked with performing additional services as it relates to the need to implement a compliance and monitoring program to ensure conformance with OHP and other state guidance. Contractor shall adhere to the State’s Standard Contract Terms and Conditions and all applicable federal

and state statutes, regulations, and policies.

OHP may award this contract to up to one Contractor. Contractor will adhere to the labor and expense rates quoted in their proposals with hours varying according to the nature of the engagement, which will constitute the not-to-exceed total for that Task Order.
