¹ Comes from three distinct sources: (1) the Automatic Call Distribution (ACD) phone system; which keeps a count of the number of calls and call routing; (2) Monthly NJSpirit Intakes; which record decision making on calls received by hotline screeners, and (3) NJSpirit extracts of assigned CWS Referrals and CPS Reports.

² The number of Intakes, CPS Reports, and CWS Referrals are based on an extract from NJSpirit. Data extracted by the Office of Research, Evaluation, and Reporting on **April 21, 2017** includes all Intakes, CPS Reports, and CWS Referrals received from **March 1, 2017 through March 31, 2017**.

³ The number calls received through the ACD System that were directed to a screener from any call-in phone number.

⁴ The number of calls received through the ACD System that are abandoned either while waiting in queue or while ringing.

⁵ The number of Intakes entered in NJSpirit from the number of calls received.

⁶ The number of Intakes recorded in NJSpirit, by type of Intake. There is not a one-to-one relationship between an ACD call and an Intake; multiple calls to State Central Registry (SCR) may result in a single Intake, or one call may result in multiple Intakes.

⁷ Intake: The process of documenting: a report of alleged abuse or neglect of a child (CPS); a request for services on behalf of a child, or a referral of a child for services (CWS); a call in which the caller provides additional or clarifying information about a current service case or active investigation (RI); informing a caller of, or referring a caller to, services available from other private or public sources (I&R); a call that requires no action by CP&P (NAR); or a response to a simple inquiry (IO).

⁸ NJ SPIRIT: NJ Statewide Protection Investigation and Reporting Information Tool case management system

¹Source of Data: NJ SPIRIT

²A CPS Report or a CWS Referral may include multiple children in a family, with one or more allegation or request for services. In these cases, each CPS Report or CWS Referral is counted once - the CPS Report or the CWS Referral is the unit of analysis rather than the child.

³Prior to January 2014, the number of CPS Reports and CWS Referrals was based on the type of assignment of the CPS Report or CWS Referral. Beginning in January 2014, the number of CPS Reports and CWS Referrals is based on the number of CPS Reports and CWS Referrals received.
