

Mrs. Miluska Gamarra-Yanez
Supervisor of Education

Welcome to the DCF Regional School – Cherry Hill Campus!

I am honored to be the leader of a school providing students with an alternative opportunity at continuing their education. Since 2022, I have been the supervisor of this campus and started working at the DCF schools in 2014. It has been an absolute honor and rewarding experience to work with our TEC and TEACH student populations! I am thrilled to utilize my skills and knowledge as an educational leader at the Cherry Hill Campus to ensure each student's success.

DCF Cherry Hill provides educational services to two different student populations from K-12th grade on our campus. Project TEACH (Teen Education and Child Health) is an alternative, year-round education program for pregnant and parenting teens. Project TEACH students can attend school with their child because of the on-site, licensed infant and toddler nurseries available to them at no cost. Pregnant and parenting adolescents have an opportunity to obtain their high school diploma while attending school with their child and participating in hands-on learning experiences in Child Development/Parenting courses. Our Transitional Education Center (TEC) program is an alternative, year-round educational program designed to meet the needs of an array of "at risk" students.

NJDCF's Office of Education strongly believes in the collaboration among home, community, families, support systems and school. We look forward to partnering with different school districts to provide all students with a quality education and prepare them for their future. It takes a village to facilitate students' academic progress.

Our dedicated team of educators take pride in teaching all students and helping to ensure their educational, social, emotional, and physical needs are being met.

Education as a life-long experience, and we continue to learn daily from our students, teachers, and staff, as well as community partnerships and families.

Best wishes for a safe and successful school year!
