

**Timeline - BSFT Implementation 2025-2029 – ONSITE Training**  
**Sample of Pathway to Full Competency Training and subsequent Fidelity Program**

<b>August 2025</b>	Trainee candidates were phone-interviewed by FFTIM. MOA Contract review and approval cycle.
<b>August/September 2025</b>	Timeline agreed upon to begin. Candidates recommended by FFTIM Institute Director.
<b>August 2025</b>	<b>Online Pre-Organizational Preparation Workshop – 2 half-days</b> DCPP to begin submitting referrals.
<b>September- October 2025</b>	<b>Onsite Organizational Readiness Workshop – 1 day</b> <b>and BSFT Training Workshop # 1</b> (the following 3 days onsite) <b>Site license issued-can provide services to families</b>
<b>September-October 2025</b>	Supervision begins soon after Workshop 1. Each Trainee should see 3-5 families...Fewer will delay training/graduation. Trainees upload family videos to a shared drive, for us to review & counsel them on performance. Estimate 14 weekly sessions (barring vacations, holidays, personal time, etc.)
<b>October 2025</b>	<b>Trainee Workshop # 2</b> (2 days onsite) (within 3 weeks of onset of supervision)
<b>December 2025</b>	<b>Trainee Workshop # 3</b> (2 days onsite). Dependent on number of families seen by a majority of the clinicians.
<b>October 2025 – March 2026</b>	Supervision continues. Ideally Trainees have begun to increase the # of families to a minimum of 5. Each Trainee is <i>estimated</i> to receive 14weeks of Supervision, give, or take depending on competence. <b>LACK OF FAMILIES WILL DELAY PANEL. Must treat 5 families to qualify for panel.</b>
<b>March 2026</b>	<b>Projected Competency Panel</b> – Graduation!
<b>May 2026-May 2027</b>	<b>Fidelity Adherence Program.</b> Clinicians will receive a session every other month (6 times for the year. SEE NOTE BELOW. Graduated clinician selected to become BSFT site supervisor (BCS) and trained to be BCS, if desired.  <i>*Ideally at July 2026 an onsite supervisor, BCS begins training.</i>
<b>May 2027– May 2028</b>	Fidelity Adherence Program continues with FFTIM Clinical Supervisor (unless BCS takes over this task). Clinicians will receive 4 quarterly sessions.  <i>*SEE NOTE BELOW.</i>
<b>May 2028 – May 2029</b>	Fidelity Adherence Program continues (unless BCS takes over this task). Clinicians will receive 3 sessions---or might be customized depending on need. SEE NOTE BELOW. BCS may be trained to become BSFT Trainer (with personalized training plan).
<b>During 2026 or later an onsite BSFT® Supervisor (BCS) may be created</b> who could assume the adherence program of the Competency Team, remedial training, and the <i>supervision</i> of any potential new trainees.  <i>*Additional training and workshops to be scheduled as needed.</i>
