Dear Mr. Sworaski:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Camden County District Solid Waste Management Plan (County Plan) dated January 29, 2020. This amendment to the County Plan proposes County Plan inclusion of a change in name of the Organic Diversion, LLC Alternative Energy/Composting Class B/C Recycling Facility located at Block 120, Lot 2, Water Street and Stinsman Avenue in the City of Gloucester to Gloucester City Organic Recycling LLC Facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of a change in name of an existing Class B/C recycling facility can be accomplished via an administrative action. Therefore, this request to change the name to Gloucester City Organic Recycling LLC Facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at joanne.mcclendon@dep.nj.gov.

Sincerely,

Edward A. Nieliwocki, Contract Administrator 3
