Dear Mr. Herrmann:

The New Jersey Department of Environmental Protection's Division of Sustainable Waste Management, Bureau of Solid Waste Planning and Licensing is in receipt of a proposed amendment to the Essex County District Solid Waste Management Plan (Plan) dated June 25, 2024. This amendment to the County Plan proposes plan inclusion of a name change for the facility currently known as Covanta Essex County to Reworld Essex Company. The facility is located at 183 Raymond Boulevard in the City of Newark. No additional changes will be made to the facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, plan inclusion of a name change of an existing facility in the Essex County Solid Waste Management Plan can be accomplished via administrative action. Therefore, the County Plan amendment is hereby approved as an Administrative Action pursuant to N.J.A.C. 7:26-6:11.

If you have any questions relative to this action, please contact me at (609) 940-5805.

Sincerely,

Jill Aspinwall, Section Chief
