Britton Industries is requesting the facility's hours of operation be updated and accepted materials be made consistent with their Class B approval for their facility located at 227 Bakers Basin Road, Block 3601, Lots 12 & 20 in Lawrenceville, New Jersey. The updated operating hours are 7:00 a.m. to 5:00 p.m. Monday through Friday and 7:00 a.m. to 2:00 p.m. on Saturdays and closed on Sundays. The accepted materials include brick, block, asphalt, concrete, (un-composted) leaves, tree stumps, tree parts, brush, wood pallets (including water-based dyed) and wood (unpainted and non-chemically treated). The facility is authorized to accept 500 tons per day of Class B recyclable material. The facility shall only accept up to 100 tons per day of (uncomposted) leaves between the months of September and May. The combination of all Class B recyclable materials including (uncomposted) leaves shall not exceed 500 tons per day.
