James E. Deacon, Solid Waste Coordinator  
Morris County Municipal Utilities Authority  
370 Richard Mine Road  
Wharton, NJ 07885

Dear Mr. Deacon,

The New Jersey Department of Environmental Protection's Division of Sustainable Waste Management, Bureau of Solid Waste Planning and Licensing is in receipt of a proposed amendment to the Morris County Solid Waste Management Plan (Plan) dated December 26, 2024. This amendment to the Plan proposes to allow Electronic Recyclers International, Inc. Class D (Universal Waste) Recycling Facility to receive, process, store, and transfer non-hazardous end-of-life solar panels. This facility is located at 510 Ryerson Road, Units 2 & 3, Block 22, Lot 338 in the Borough of Lincoln Park. The facility is currently approved for the receipt of 75 tons per day of Class D material. The facility's operating schedule for the receipt, processing, and/or transferring of materials is 5:30 am to 6:00 pm, Monday through Saturday.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing facility, including acceptance of additional waste types in the Morris County Solid Waste Management Plan can be accomplished via administration action. Therefore, the County Plan amendment is hereby approved as an Administrative Action pursuant to N.J.A.C. 7:26-6.11.

If you have any questions relative to this action, please contact me at (609) 940-5805.

Sincerely,

Jill Aspinwall, Section Chief  
Bureau of Solid Waste Planning and Licensing
