Dear Ms. Miannecki:

The New Jersey Department of Environmental Protection's Division of Sustainable Waste Management, Bureau of Solid Waste Planning and Licensing is in receipt of a proposed amendment to the NJSEA District Solid Waste Management Plan (Plan) dated July 15, 2024. This amendment to the District Plan proposes plan inclusion of a name change for the facility currently known as Redrock Land Development LLC to Impact Environmental Consulting Inc. The facility is located at Block 235, Lots 4 & 5, 1000 Page Avenue in the Township of Lyndhurst. No additional changes will be made to the facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, plan inclusion of a name change of an existing facility in the NJSEA District Solid Waste Management Plan can be accomplished via administrative action. Therefore, the County Plan amendment is hereby approved as an Administrative Action pursuant to N.J.A.C. 7:26-6:11.

If you have any questions relative to this action, please contact me at (609) 940-5805.

Sincerely,

Jill Aspinwall, Section Chief
Bureau of Solid Waste Planning and Licensing
