Dear Ms. Seiden:

The Department of Environmental Protection's Division of Sustainable Waste Management is in receipt of a proposed amendment to the Passaic County District Solid Waste Management Plan (County Plan) dated May 10, 2022. Administrative Action 001-22 to the County Plan proposes plan inclusion of the Gaeta Recycling, Inc. intermodal solid waste container facility, to be located at Block 6602, Lot 1 with a street address of RR 99-139 Getty Avenue in the City of Paterson. The facility will handle up to 700 tons per day of solid waste types 10, 13, and 13C and will operate 7 days a week (Sunday through Saturday), 24 hours per day.

The intermodal solid waste container facility will be utilized as the primary intermodal transload facility for Gaeta's Transfer Station/Materials Recovery Facility ("TS/MRF") located at 278 West Railway Avenue in the City of Paterson. Solid waste delivered to Gaeta's TS/MRF will be baled and loaded into sealed rail bag containers. The baled rail bags will be transported to the intermodal solid waste container facility via trailers and transferred to rail cars for shipment offsite for disposal.

Pursuant to N.J.A.C. 7:26-6.11(b)11, the inclusion of a solid waste intermodal container facility can be accomplished via an administrative action. Therefore, the County Plan inclusion of the Gaeta Recycling, Inc. intermodal solid waste container facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Dawn Slawsky of my staff at (609) 984-4250 or email at dawn.slawsky@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
