Dear Mr. Sullivan:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Union County District Solid Waste Management Plan (County Plan) dated July 21, 2016. The request proposes County Plan inclusion of the operational changes at the Trevcon Construction Co., Inc. Class B Recycling Facility located at 2-74 South Front Street, Block 4; Lots 1459 and 1459A in the City of Elizabeth. The proposed operational changes include the use of a mobile concrete crusher and a minor reconfiguration of the stockpiles.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing facility including operational changes can be accomplished via an administrative action. Therefore, the County Plan inclusion of the operational changes at the Trevcon Construction Co., Inc. Class B Recycling Facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).
