Dear Ms. Acton:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Salem County District Solid Waste Management Plan (County Plan) dated September 10, 2019. The subject request proposes County Plan inclusion to expand the South Jersey Agricultural Products, Inc. Class B Recycling Center (SJAP) located at Block 60, Lot 11 in Upper Pittsgrove Township to include an adjacent property, Block 57, Lot 1 for the purpose of storage of unprocessed and processed wood materials. The County Plan inclusion of the above noted block and lot of SJAP will not result in any operational changes at the facility which is included in the County Plan.

Pursuant to N.J.A.C. 7:26-6.11(b)5, the modification of an existing Class B facility to expand lot and block designations can be accomplished via an administrative action. Therefore, this request to expand the block and lot for SJAP to store unprocessed and processed wood materials is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or by e-mail at [Joanne.mcclendon@dep.nj.gov](mailto:Joanne.mcclendon@dep.nj.gov).

Sincerely,
