Dear Mr. Chapman:

The Department of Environmental Protection's Solid and Hazardous Waste Program is in receipt of the December 13, 2006 request for an administrative action. This administrative action proposes to include within the County Plan the extended operations of the E.I. Dupont & Company Solid Waste Landfill facility located at Block 185, Lot 1 in Carneys Point Township until its approved capacity as contained in the facility's permit to operate is reached or until May 2010, whichever occurs first.

Pursuant to N.J.A.C. 7:26-6.11(b) 14., the County Plan inclusion of an extension of the landfill constitutes an approvable administration action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Najwa N. Ali of my staff at (609) 984-9773 or email at Najwa.Ali@dep.state.nj.us.

Sincerely,

Guy Watson, Chief
Bureau of Recycling and Planning
