

Hazardous Waste Checklists and Compliance Assistance Materials Now Available Via the Internet

Who is affected by this initiative?

Any company/business that generates waste materials considered to be hazardous based on either exhibiting characteristics, such as ignitability; reactivity; corrosivity or toxicity, or being listed in the Code of Federal Regulations as a hazardous waste from a specific process or an off-specification chemical product.

Why would I need help?

This new web page offers helpful guidelines for rules that may apply to your facility, as well as quick links to the actual regulations. In addition, there are contact names and phone numbers that can assist you in getting to the right person when you have a question.

What compliance assistance is available?

Checklists, being used by the Department of Environmental Protection's (DEP) Bureau of Hazardous Waste Compliance and Enforcement, are available via the Internet, as well as guides and compliance assistance materials. To access the materials, visit the DEP's web site at www.nj.gov/dep/enforcement under the Compliance Assistance Resources section.

Who should I contact with questions?

- Hazardous Waste Compliance and Enforcement - Central Field Office (609-584-4250)
Hazardous Waste Compliance and Enforcement - Northern Field Office (973-299-7571)
Hazardous Waste Compliance and Enforcement - Southern Field Office (856-614-3650)
Small Business Assistance Program (877-753-1151, 609-292-3600)
Department of Commerce, Office of Business Services (973-353-1927)

COMPLIANCE ADVISORY

Where can I get more information?

The following web site can be accessed for additional information:

Solid & Hazardous Waste Technical
Manuals and Guidance Documents
