

# Change in County Coverage for Air Compliance & Enforcement Regional Offices

## Who is affected by this initiative?

All facilities in Burlington and Union Counties that have air pollution permits.

## What is occurring?

The Air Compliance & Enforcement program is reorganizing the counties covered by each of the three regional offices. Beginning **October 1, 2008**, all facilities in Burlington County with air pollution permits issued by the Department will be covered by the Central Regional Office, instead of the Southern Regional Office. Also, beginning **October 1, 2008**, all facilities in Union County with air pollution permits issued by the Department will be covered by the Northern Regional Office, instead of the Central Regional Office.

## What should I do?

After October 1, 2008, if you are a facility in Burlington or Union county, and wish to contact the Department, either by phone or mail, concerning any air compliance issue for your facility, please ensure you contact the correct regional office. The contact information is provided below.

This does not change your contacts for any other program in the Department, this only impacts the Air Compliance and Enforcement contacts.
