Upcoming FREE Solid Waste & Recycling Training/Outreach Seminar

Who would benefit from attending this compliance assistance event?

This training is meant for municipal and county government employees. It is especially relevant for Department of Public Works staff, emergency response personnel, and recycling and solid waste coordinators.

Seminar Description:

This half day training event will focus on portions of New Jersey's solid waste and recycling regulations, N.J.A.C. 7:26 and N.J.A.C. 7:26A. NJDEP inspectors and other members of NJDEP's Compliance and Enforcement program will discuss regulatory areas including: storm debris management; operation of and problems at exempt recycling operations; what's new in curbside recycling; and common problems at DPW yards. In addition, please note that NJ Certified Recycling Professionals will earn four classroom recertification credits for attending this seminar.

When and where will this event take place?

NJDEP is offering this free seminar from 8:00 a.m. to noon on two different dates: December 4th and 5th, 2012 at:

**New Jersey Forensic Science Technology Center
1200 Negron Drive, Hamilton, NJ**

Seating is limited. Please reserve your seat for one of the above referenced days by registering at:
