Online Posting of Waste Debarment List

Who is affected by this advisory?

This advisory is intended to inform A-901 applicants and licensees about individuals who have been debarred from the New Jersey waste industry.

Why is DEP issuing this advisory?

When a company's A-901 application is denied, or its A-901 license is revoked, the owners and key employees of that company are prohibited from re-entering the New Jersey waste industry for five years pursuant to N.J.A.C. 7:26-16.12.

Settlements between New Jersey waste companies and the DEP may also include debarments for varying periods of time.

What is DEP doing?

DEP has posted a list online of all individuals debarred from the New Jersey waste industry at http://www.state.nj.us/dep/special/hurricane-sandy/docs/a901_debarred.pdf and this list will be updated periodically.

What should I do?

Before hiring a new employee you should check the A901 debarment list for that individual's name. If the person appears on the list and the debarment has not ended, you should consult an attorney or contact DEP.

Who should I contact with questions?

Please contact the DEP's A-901 Unit at (609) 984-4250 or the Division of Law's A-901 Unit at (609) 292-6081.

Where can I get more information?
