NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION

Division of Air Enforcement #2025-03

Issued: 04/03/2025

Free Air Enforcement Training Event

WHO WOULD BENEFIT FROM ATTENDING THIS TRAINING/OUTREACH EVENT?

Anyone who is interested in learning about, or who is subject to the New Jersey Air Pollution Control Regulations is encouraged to attend.

SEMINAR DESCRIPTION:

This free event offered by the Division of Air Enforcement (DAE) will provide updates from both Air Enforcement and Permitting staff. Updates will include odor enforcement, environmental justice, state/federal regulations, general permits, and organization charts. Join us as we discuss the up-and-coming New Jersey Cannabis Industry, including the types of sources that require permits and the enforcement issues that have been encountered. This session will also include updates on cargo handling regulations and enforcement efforts, in addition to an overview of the new stack testing language that was issued in the latest Compliance Advisory. The Division of Air Quality and Radiation Protection (DAQRP) will also provide a presentation on navigating the program's websites. See the agenda [here](#).

WHEN WILL THIS EVENT TAKE PLACE?

The Department is providing this free seminar from 9 a.m. to 12:35 p.m. on May 7, 2025. The event will take place at the New Jersey Forensic Science Technology Center: 1200 Negron Drive Hamilton, NJ 08691. Directions to event [here](#).

Registration is needed to attend this event. Complete registration [here](#).
