

**AUTO BODY SHOP EXEMPTION FORM** (revised August 2016)

I have been informed that an air pollution permit is not required by the Department as established in N.J.A.C. 7:27-8.2 {Eleventh Amendment, operative June 12, 1998} due to the following reason – (select by checking the appropriate box below)

**Option 1** - my coating application **WILL NEVER EXCEED** ½ gallon per hour at any time **and** my spray booth **DOES NOT** contain a heating device(s) with a rating of 1,000,000 BTU/hr or greater;

**OR**

**Option 2** - my coating application **WILL NEVER EXCEED** ½ gallon per hour at any time **and** my spray booth(s) **DOES** contain heating device(s) with a rating of 1,000,000 BTU/hr or greater.

If you selected Option 2, provide the following information:

- Facility (PI) ID# \_\_\_\_\_
- Air permit #(s) [GEN and/or PCP] \_\_\_\_\_

I understand that if at any time my coating rate does exceed the above applicability threshold of ½ gallon in any one hour, and/or the heating device does equal or exceed 1 million BTU/hr, it is my responsibility to apply for the necessary air permit(s) and certificate(s).

I further understand that as a "Mobile Equipment Coating Repair and/or Refinishing Facility (e.g. Auto Body Repair Shops) I am required to operate my facility in compliance with N.J.A.C. 7:27-16.12 (as detailed on the attached pages). This is required by the Department as established in N.J.A.C. 7:27-16.12a (Seventeenth Amendment, operative April 25, 2004).

Lastly, I understand that if I exceed the above selected thresholds and fail to apply for the necessary air permit(s) and certificate(s), or if I do not operate my facility in compliance with N.J.A.C. 7:27-16.12, that I will be subject to enforcement action(s) which may include civil and criminal penalties, including the possibility of fines and/or imprisonment, for submitting false, inaccurate or incomplete information.

**I certify under penalty of law that I believe the information provided in this document is true, accurate and complete.**
