

HOW TO DISPLAY YOUR SOLID WASTE NJDEP NUMBER AND DECAL

Using letters and numbers at least **3 inches in height**, paint or affix the letters “**NJDEP**”, your **unique NJDEP number** and the **carrying capacity (gallons or cubic yards)** to your **vehicle or container**, then **PERMANENTLY affix the decal** below to a clean surface. This information must be displayed on the **DRIVER SIDE** of the vehicle in the area indicated by the arrows **below** so that it will be visible to the operator of the waste facility. Your **registered company name** (official company name that was registered with the State of New Jersey, Division of Commercial Recordings) **must also be displayed** in at least **3 inch letters**.

Please note any vehicle pulling a trailer must also be properly registered and display a valid decal on the driver's side.
