# 2004 NJ Wild Turkey Hunting Season Information and Permit Application

NEW JERSEY DIVISION OF  
Fish and Wildlife

## Application Period Closes February 23, 2004

### Youth Turkey Hunting Program

A special youth turkey hunting program is designed to ensure all applicants 10 to 16 years of age will receive their first choice permit request in the first lottery for the Spring and Fall Turkey Season. Permits awarded to youth hunters will not be counted as part of the permit quota. The Fish and Game Council and the Division of Fish and Wildlife recognize that a quality hunting experience such as turkey hunting with a properly licensed adult will be fondly remembered for years and has a positive influence towards maintaining our hunting heritage in New Jersey.

### The special statewide Youth Turkey Hunting Day is Saturday, April 17, 2004

- \* All youth turkey hunters 10 to 16 years of age
- \* Must possess a valid spring turkey hunting permit
- \* Must be accompanied by a properly licensed, non-shooting adult age 21 or older
- \* Considered an **extension** of the regular season permit held by the youth
- \* If youth hunter harvests a turkey on this youth hunting day, that permit is no longer valid
- \* All other spring turkey hunting regulations shall apply

The Division encourages properly licensed adults age 21 or older to use this opportunity to "Take a Kid Hunting!" If the adult is selected for the same Turkey Hunting Area (zone) but a different hunting period from the youth (weeks A through G), the adult may take the youth hunting with them during the adult's hunting period. The youth's permit will still be valid. When hunting with an adult during a hunting period

not designated on the youth's permit, the youth must be under the direct supervision of the adult. For the purposes of this section, direct supervision is defined as both the youth permittee and the adult set up together at the same location, hunting as a unit, not hunting independently for dif-

ferent birds. Youths may still hunt during the hunting period designated on their turkey permit, but the season bag limit remains at one turkey. For additional information on the youth turkey hunting program, please call the turkey permit hotline at 609-292-9192.

### Three Permit Lotteries

Hunters may apply for three turkey permits through the mail-in lottery using the same application. The Division will conduct three random lotteries: the first two for the spring turkey season, the third lottery for the fall season. There will be only one lottery for the fall season due to the limited number of permits available. Hunters may enter only once for each of the three lotteries. You may apply **only once** even if you have both a firearm and archery license. Therefore, **DO NOT SEND MORE THAN ONE APPLICATION.**

### Spring Gobbler Season

First Lottery:

- \* Selects applicants from "Spring Season First Lottery" section of permit application
- \* Refer to "2004 Wild Turkey Season Dates" section for important information on the structure of turkey hunting segments
- \* The youth turkey hunting program is designed to ensure all applicants 10 to 16 years of age, who are still hunting on the Youth License, will receive their first choice permit request in the first lottery for spring season. These permits will not be counted as part of the permit quota.

*continued on page 2*

Second Lottery:

- \* Assigns permits not issued (leftover) from first lottery to applicants from the second lottery portion of the application
- \* Selects applicants independent of the first lottery
- \* Youth permit requests for the second lottery will receive the same treatment as all other permit requests. Permits are not guaranteed and will be selected independent of the first lottery.

If you request the same turkey hunting area and hunting period in both spring season lotteries, you may receive two permits for the same area and hunting period. This might happen if you list the same areas and hunting periods in the first and second lottery even if listed in a different order. Permits will not be exchanged if you received the permits you requested on your application. Consider your requests carefully! Submit the correct fee to the address on the application. Permits and non-selection notices will be mailed in early April, 2004.

Fall Turkey Season

One lottery, only:

- \* Fall season lottery will be run after the spring lotteries
- \* One, six-day fall season hunting segment in Turkey Hunting Areas 1 through 11, 20 and 21
- \* Complete the "Fall Season Lottery" portion of turkey permit application
- \* Submit correct fee to address on the application
- \* The youth turkey hunting program is designed to ensure all applicants 10 to 16 years of age, who are still hunting on the Youth License, will receive their first choice permit request in the first lottery for fall season. These permits will not be counted as part of the permit quota.
- \* Permits and non-selection notices will be mailed by early July, 2004

Disabled Veteran's Turkey Permits

Recent legislation provides for the issuance of free hunting licenses and permits for resident disabled veterans.

For the purposes of this program, the legislation defines Disabled Veterans as: "...any resident of New Jersey who has been honorably discharged or released under honorable circumstances from active service in any branch of the Armed Forces of the United States and who has been declared by the United States Department of Veteran Affairs, or its successor, to have a service-connected disability of any degree..."

Disabled Veterans who are on our database will be mailed a special 2004 Disabled Veteran Turkey Permit Application. Disabled Veteran Licenses, applications for licenses and applications for permits can also be obtained at all Division field offices, the Trenton office, and our website at [www.njfishandwildlife.com](http://www.njfishandwildlife.com).

Disabled Veteran Applicants:

1. Documentation of currently receiving benefits for a service connected disability must be presented to obtain the free license. Applicants must first have a Disabled Veteran license to obtain a free disabled veteran turkey permit.
2. Applicants must fill out only one special 2004 Disabled Veteran Turkey Permit Application. **Do not complete the regular application found in this supplement.**
3. Applicants are entitled to one free spring season permit and one free fall season permit. Additional permits must be purchased at the regular price of \$21.

*Using a Disabled Veteran application does not guarantee the applicant of permits, nor does it give the applicant preference in the lottery.*

Application Tips and Procedures

Increase Your Chance of Receiving a Permit

To obtain your preferred permit(s), be certain your application is correct, complete, and mailed on time. Double-check the instructions before mailing your application. Print neatly and have a friend check your application.

Certain Turkey Hunting Areas are extremely popular. These areas are traditionally applied for by more hunters than there are permits available (over-subscribed). A table of permit quotas and first choice requests for each area is provided on the map page inside to assist your decision.

When deciding on your first, second, and third choices, consider where and when you plan to hunt. Choose your favorite area and week as a first choice in the **FIRST** lottery. **Do not list popular areas or weeks as second or third choices in the first lottery, and do not list popular areas or weeks for any choice in the second lottery.** Those popular areas and weeks are unlikely to be available. Permits cannot be exchanged and money cannot be refunded for unwanted permits. Give your choices some thought, but in any case, make sure you have a place to hunt **BEFORE** submitting your application.

A limited number of fall season permits are available in Areas 1 through 11, 20 and 21. We anticipate that all permits will be sold through the lottery.

Complete the Application

- \* **Persons whose license privileges are revoked are not eligible to apply.**
- \* Complete each section of the application.
- \* It is a violation to submit more than one application for the turkey permit lotteries. Persons applying more than once are subject to fines and will be automatically marked

a non-winner by computer edits. Hunters may apply only once even if you have both a firearm and archery license. Once you receive a permit, you may choose to hunt with either gun or bow, provided you are properly licensed, even if you did not apply using the license number for that sporting arm.

- \* For the spring season, enter your first, second and third choices for the turkey hunting area and hunting period under the "First Lottery" section of the application. If you will only accept a permit for one zone and period, leave the second and third choices blank.
- \* Hunters wanting a second permit must complete the "Second Lottery" section. Do not apply for over-subscribed areas in the second lottery. Consult the permit quota table to determine which zones are likely to be available for the second lottery.
- \* REMEMBER: The permit fee for the first lottery is \$21.00. For both first and second lotteries, the fee is \$42.00. Apply for both lotteries using one application.
- \* For the fall season, enter your first, second and third choices for the turkey hunting area under the "Fall Season Lottery" portion of the application and include an additional \$21.00. As in the spring lottery, if you will only accept a permit for one zone, leave the second or third choices blank. Valid turkey hunting areas for the 2004 fall season are: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 20 and 21. Any other choice will be rejected and will be a wasted opportunity.
- \* Acceptable payments include a check or money order made payable to NJ Division of Fish and Wildlife for the correct amount (\$21.00 for adults/\$12.00 for youths for *each* lottery request or line on the application). Do not send cash.
- \* Due to changes in the hunting license format, turkey stubs are no longer required on these applications.
- \* Youth applicants may enter their hunter education certificate number or a previous year's hunting license number in the space, then check the box corresponding to the number type. Your application **must be postmarked by February 23, 2004 - NO EXCEPTIONS.**
- \* If you made a mistake on your submitted application or have information missing but you filed on time, do not submit a

second application. If the Division cannot correct your application, it will be returned to you. You will be given additional time to correct and re-submit your application for the turkey permit lottery.

#### Notification

- \* Late applications will be returned by mail with a rejection notice.
- \* Applicants not receiving a permit will receive a \$19.00 or \$10.00 refund [based upon the fees for adults (\$21.00) or youths (\$10.00), respectively, minus the non-refundable application fee of \$2.00] from the Division of Fish and Wildlife.
- \* Spring season applicants will receive a permit or notice of non-selection in early April for each permit requested. Spring season refund checks from the State of New Jersey will be mailed in May.
- \* Fall season applicants will receive a permit or notice of non-selection in mid-July for each permit requested. Fall season refund checks from the State of New Jersey will be mailed in late July.
- \* Remember: refunds will *not* include the \$2.00 non-refundable application fee.

- \* Applicants must be at least 10 years of age

\* These Spring Season quotas were filled during the first lottery in 2003; therefore these areas and time periods are not expected to be available for the second lottery in 2004.

\*\* These FALL Turkey Areas were oversubscribed in 2003 and were sold out in the first choice of the fall lottery.

Q: Should I select Area 9 Week G as a first choice in the second lottery?

A: No, this is a bad choice. The asterisk in the "G" column for Area 4 indicates no 9 G permits will be available for the second lottery. You would waste a chance!

### Permit Application Period (Spring and Fall Seasons)

Closes February 23, 2004

Spring permit applicants will be notified in early April

Fall permit applicants will be notified in mid-July

If you have not received a permit or notice of non-selection by the above dates, please call. A person not notifying the Division will not receive replacements or refunds for permits that were not deliverable or lost in the mail once the permit has expired.

## Over-the-Counter Sale of Leftover Permits

When fewer turkey hunting permit applications are received than the quotas allotted, leftover permits may be available after the lottery selection process is complete. If there are a substantial number of permits leftover, they will be sold to hunters on a first-come, first-served basis. Hunters who have already received permits are also eligible to purchase leftover permits should a surplus occur.

- \* Most permits which would have been sold over the counter in the past will be sold through the mail in the second lottery. Applicants are strongly urged to apply during the mail-in period, which closes February 23, 2004.
- \* Information on the sale of left over spring season permits will be announced through local newspapers and on the Permit Hotline (609) 292-9192 after March 26, 2004.
- \* Leftover spring season permit sales are TENTATIVELY scheduled for Saturday, April 3, 2004, from 9 a.m. - 12 noon. Permits will be sold Monday through Friday from 9 a.m. -

12 noon and 1 p.m. - 4 p.m. at five Division field offices (see page 3) and the Trenton office beginning Monday, April 5, 2004.

- \* Remember, the *daily* bag limit is *one* turkey, even if a hunter possesses more than one permit valid for that day.
- \* Hunters need not be present to purchase permits over-the-counter. A person may purchase a permit for a hunter who is unable to attend the over-the-counter sale if they have the absent hunter's valid hunting license. However, a hunter on line is limited to purchasing permits for a maximum of three individuals. Photocopies of licenses are NOT acceptable. Hunters on line cannot purchase permits for other hunters on line in order to circumvent the "first-come, first-served" rule.
- \* Only one permit per license may be purchased as long as the line remains. If there are an abundance of permits still available for certain areas and periods hunters may be permitted to purchase more than one permit per license for those zones. In that event, those zones will be posted at the entrances of over-the-counter sales locations.

The Division does not anticipate leftover fall season permits after the mail-in lottery. Therefore, no over-the-counter sale of fall season permits is scheduled at this time. If extra permits are available, the sale date will be announced on the Permit Hotline and through the news media.

**2004 Turkey Hunting Permit Application Instructions**

1. **Name and Address:** Enter your name, address, telephone number and birth date. Type or print clearly.

2. **Hunting License Number:** Enter your 2004 Hunting License Number. Hunters may apply with either a firearm or archery license and may hunt with either one. Remember, submit *only one* application or the computer will reject *all* of your applications! If you are under 16 years of age, enter your hunting license number from a previous year or your hunter education certificate number or Youth Hunting License number in the box. Due to changes in hunting license format, turkey stubs are no longer required on these applications. If you have applied for a hunter education course, enter "8888888888" in the Hunting License Number box.

3. **Spring Season First Lottery: Turkey Hunting Area Choice:** Complete the spaces for your first, second, and third choice turkey hunting area and period (A, B, C, D, E and G). Do not select the more popular areas as your second or third choice. Select carefully; you will not be re-assigned. Youths only need to enter their first choice area and period.

4. **Spring Season Second Lottery: Turkey Hunting Choice:** Complete this section OXM if you want a second turkey permit. Remember: do not apply for over-subscribed areas.

5. **Fall Season Lottery: Turkey Hunting Choice:** Complete the spaces for your first, second and third choice turkey hunting area. Turkey hunting areas open for the 2004 fall season are Areas 1 through 11, 20 and 21.

6. **Deadline:** Do not wait until the last minute to submit applications. Your application must be postmarked by **February 23, 2004 - NO EXCEPTIONS**

7. **Permit Fee:** A \$21.00 fee per adult permit or \$12.00 per youth permit (under age 16) in the form of a check or money order made payable to the NJ Division of Fish and Wildlife must accompany your application. The fee is \$21.00 (adult) or \$12.00 (youth) for each lottery. Adults applying in both the spring season first and second lotteries and the fall season must include a total of \$63.00.

8. **Youth and new hunters:** Youths under the age of 16 and those who have applied for a hunter education course should check the appropriate box.

9. **Remember:** Submit *only one* application for turkey hunting permits. If you forget to include your check or complete information on your application, it will be returned for correction. Do not send in a second application. Sending in more than one application will result in the disqualification of all of your applications.

10. **Note:** Include your full name and address on checks and money orders. It is best to submit separate checks or money orders with each application form if several hunters' applications are mailed in the same envelope. If one application among those covered by one check is incorrect, all applications covered by that check will be returned.

11. **Mailing:** Use a legal, business-sized 9 1/2 x 4 1/2 inch envelope.

Mail applications and permit fees to:  
 NJ Division of Fish and Wildlife  
 PO Box 003  
 Trenton, NJ 08625-0003

\*Be certain to enclose your permit fee (\$21.00 for one adult permit; \$42.00 for two adult permits; \$63.00 for three adult permits or \$12.00 for one youth permit; \$24.00 for two youth permits; \$36.00 for three youth permits) with your application.  
 \*Incorrect applications will be returned for revision.  
 \*All checks received with correct applications will be cashed.  
 \*If your application is correct, but you are not selected to receive a permit, you will receive a notice of non-selection and a refund at a later date.
