## Freshwater Fisheries Forum

December 1, 2007

Hackettstown State Fish Hatchery

9:30 a.m.

*Come and share your views and recommendations for the future of freshwater fisheries in New Jersey!*

### Discussion Topics:

- License trends and a first time look at our anglers' demographics
- 2007 Field Surveys Update
- Wild Brook Trout Conservation and Management - Results of Genetics Study
- Open Discussion on current and future programs

*A tour of the fish production facilities is included*

For more information or to pre-register (not required) please call 908 236-2118 or send an e-mail to [njfwfish@earthlink.net](mailto:njfwfish@earthlink.net) E-mails should include name, address, phone number, and number of people attending.
