

NJ NASP VIRTUAL STATE TOURNAMENT 2013 RESULTS

We are pleased to announce the results of the NJ State Virtual Tournament for NASP! Thanks to those schools that participated and submitted scores to us. We hope to offer a physical state tournament in 2014 that will draw in a larger number of schools to compete!

The teams and individual archers listed below in red qualify to attend the national NASP tournament in Kentucky on May 10-11, 2013. The first place team in each division (elementary, middle, high school) qualifies for nationals. In addition, the top five male and top five female archers in each division qualify for nationals as individuals *if their school team did not qualify or does not attend the national competition.*

Rules and registration information for the national tournament is attached. Early registration is recommended.

Congratulations to all who participated!
