

2019 Spring Gobbler Hunting Season Dates

Hunting Period	Dates
Youth Turkey Hunting Day (10–16 years of age) Hunting Period Y	Sat., April 20 If no turkey is harvested on this youth hunt day, Period Y permits may be used in the designated zone for balance of season until a bird is harvested
Hunting Period A	Mon., April 22–Fri., April 26
Hunting Period B	Mon., April 29–Fri., May 3
Hunting Period C	Mon., May 6–Fri., May 10
Hunting Period D	Mon., May 13–Fri., May 17; Mon., May 20–Fri., May 24
Hunting Period E	All Saturdays, April 27, May 4, May 11 and May 18

Turkey Season Dates and Hunting Hours

The 2018 fall turkey season will consist of one seven day hunting segment, N, (excluding Sunday) from Saturday, Oct. 27 through Saturday, Nov. 3, 2018. Fall hunting hours are one-half hour before sunrise until one-half hour after sunset.

Hunting hours for the spring season are one-half hour before sunrise until noon daily, except hunting hours for the **last two weeks** of the spring turkey season (including all of period D and the **last Saturday** of period E) are changed to one-half hour before sunrise to sunset. These expanded hunting hours during the last two weeks of the season allow opportunities for working and youth hunters.

Coyotes may be harvested incidentally while turkey hunting. See page 55.

Fall 2018 and Spring 2019 Turkey Hunting Regulations

- ♦ **Bag Limit:** During the fall season, turkeys of either sex may be taken. During the spring season, only male turkey may be taken; bearded hens may not be taken in the spring. During both seasons, the bag limit is one turkey per permit, *but only one bird may be taken in a given day, regardless of the number of permits a hunter holds.*
- ♦ Artificial decoys may be used while turkey hunting, except the use of electronically-operated decoys is prohibited. Dogs may be used for turkey hunting **only** during the fall season. All hunters are required to possess a calling device while turkey hunting. The use of a hand-held decoy or a turkey tail-on-a-stick as camouflage to sneak up on a turkey is prohibited. **Stalking a turkey is illegal.**

Turkey Hunting Areas

Map for general reference only. For a complete description of the Turkey Hunting Area boundaries, scan this QR code with your mobile device or visit our website at NJFishandWildlife.com/qr/turkeyareas.htm.

Youth Turkey Hunt Day

April 20, 2019 (See page 25)

If no turkey is harvested on this youth hunt day, Period Y permits may be used by the youth hunter in the designated zone for the balance of the season until a bird is harvested (see page 25).

All youth turkey hunters 10 to 16 years of age must possess a valid **spring turkey hunting permit** in addition to their **youth** hunting license.

Youth hunters must be accompanied by a properly licensed, non-hunting adult age 21 or older who may not shoot on this youth day.

This season is considered an **extension** of the regular season permit held by the youth.

If youth hunter harvests a turkey on this youth hunting day, the “Y” Period permit is no longer valid for future hunting.

Non-hunting adults accompanying youth turkey hunters need only have in possession a valid hunting license. Spring and fall turkey hunting are by permit only. See *Turkey Hunting Permits, General*, page 12. For farmers, see *Farmer Turkey Permits*, page 30.

Stalking is Illegal

Use of a hand-held decoy or a turkey tail-on-a-stick as camouflage to sneak up on a turkey is prohibited. In New Jersey, stalking of wild turkeys is illegal, both for ethical reasons and for personal safety.

Fall & Spring Wild Turkey Hunting

REGULATIONS

- ♦ Hunting methods during the spring gobbler season are restricted to calling or stand hunting.
- ♦ The maximum group size while turkey hunting is five hunters.
- ♦ Hunters may not attempt to chase or drive turkeys for the purpose of putting them in range of other hunters. However, during the fall season only, hunters may rush a flock of turkeys to cause the flock to scatter.
- ♦ No shot larger than #4 fine shot or smaller than #7½ fine shot may be used for turkey hunting.
- ♦ Hunters may not use shotguns larger than 10-gauge or smaller than 20-gauge for turkey hunting. Shotguns must be plugged to be capable of holding no more than three shells.
- ♦ Fluorescent hunter orange is not required to hunt turkeys.
- ♦ Properly licensed hunters may use archery tackle to hunt turkeys. Bows used for turkey hunting (long, recurve, compound or crossbow) must have a minimum draw pull weight of 35 pounds at the archer's draw length (long and recurve bow), or peak weight (compound bow), or 75 pounds minimum draw weight (crossbow). Arrows must be fitted with a well-sharpened metal broadhead with a minimum width of 3/4 inch.
- ♦ While turkey hunting, a weapon may not be in possession within 300 feet of any baited area.

Mandatory Turkey Check Requirement

All harvested turkeys must be tagged **immediately** with a completed transportation tag. A turkey must be taken by the person who killed it, on the day killed, to the nearest turkey check station where personnel will issue a legal possession tag. See page 60 for a list of official turkey check stations to locate one closest to your hunting area.

NOTE: During Youth Turkey Hunting Day, hunting periods A, B, C and the first three Saturdays of hunting period E, the turkey must be taken to the nearest check station by 3 p.m. During hunting period D and the last Saturday of hunting period E, the turkey must be taken to the nearest check station by 9 p.m. During the Fall Turkey Season, the turkey must be taken to the nearest check station by 7 p.m. In the event a turkey is killed too late to register at a check station, call the nearest Fish and Wildlife Law Enforcement Office (see page 41) and leave a message including your name, phone number, CID number and the Turkey Hunting Area where the bird was taken. The bird must be checked the next day. If it was butchered, bring all remaining parts (beard, head, legs, etc.) to the check station.

In the future turkey hunters will be able to report their turkeys via the Electronic License System. Once this is active, complete instructions will be available on Fish and Wildlife's website at NJFishandWildlife.com and printed in the next hunting Digest. Subscribe to our email lists at NJFishandWildlife.com/lstsub.htm to be notified of Fish and Wildlife updates and events, including any changes to the harvest reporting system.

Turkey Hunting Seminars

The latest turkey hunting techniques are presented at several turkey hunting seminars sponsored by Fish and Wildlife or wildlife conservation organizations. These seminars focus on how to set up, calling techniques and key safety information for turkey hunters. New turkey hunters are especially encouraged to join us at a seminar. Check your newspaper and our website for the seminars scheduled during March or April. ♫

Fall 2018 and Spring 2019 Turkey Check Stations

ATLANTIC

Butterhof's Farm & Home Supply,
5715 White Horse Pike, Egg Harbor City (609) 965-1198
