Thermal Sales and Consulting

229-669-9748

For \$500 per night, per person, we take you on the ultimate night hog hunt!

We use highly modified 4x4 luxury vans equipped with long range thermal optics, hooked up to the huge screen inside the van.

This allows us to take 4 hunters per van (2 vans), in comfort and cover 1000's of acres a night in search of wild hogs.

Once we spot them from the van or with the thermal drone, we stalk in very close, and try to kill every hog we see!

If we put you in front of 20 hogs at 60 yards, with the best gear money can buy, how many will YOU get??

Come find out!!
