4. There shall be no other acts or uses detrimental to the preservation of the Restricted Area, including its air space and its subsurface in their natural state as a valuable component of a wetlands ecosystem.

5. The Grantor shall mark the boundaries of the Restricted Area using unobtrusive, permanent visual markers in a manner of the Grantee's and the USACE choosing, and to the Grantee's and the USACE satisfaction, within 30 days of recording this Grant. 11. Enforcement of the terms of this Conservation Restriction shall be at the discretion of the Grantee or the USACE and any forbearance by the Grantee or the USACE to exercise its rights under this Conservation Restriction in the event of any Violation by Grantor shall not be deemed or construed to be a waiver by the Grantee or USACE of such term or of any subsequent Violation or of any of the Grantee's or USACE's rights under this Conservation Restriction.
