Department of Environmental Protection
Ringwood State Park
Special Use Permit - Paid/Professional Photography**

This Paid/Professional Photography Special Use Permit applies to photographers using the park to photograph clients for the clients' own personal use, or for promoting their business in print or on social media using those photos. Examples include wedding and engagement shoots, prom photos, holiday card photos, or any other instance in which a photographer is being paid for their service, but the photography itself is not being used commercially. Shoots involving equipment, props, or otherwise interfering with normal park operations may also be subject to the permit process.

Photography that is to be used commercially is subject to additional permit requirements and fees. These uses include - but are not limited to - photography for print advertising, magazines, books, items for sale, exhibition, or internet promotions. Please contact the park office for more information.
