

## Be a Birdwatcher

Written by: Gina Provenzano, NJ State Park Naturalist

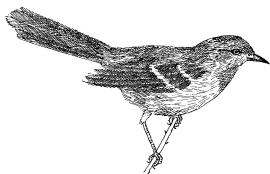

Get outside and open your eyes and ears. How many birds do you see or hear? Can you count them all? What color are they? What do they sound like? Can you describe their songs with words? Share your observations with a family member or draw or write about them below.

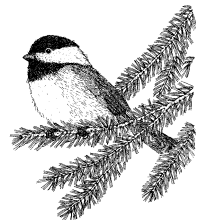

Downy woodpecker

American crow

Northern mockingbird

Black-capped chickadee

Northern cardinal

Blue jay
