TRAILS OF PARVIN STATE PARK
Situated on the edge of the New Jersey Pine Barrens, Parvin State Park has forests typical to the area but also a hardwood forest swamp. The park features over 200 flowering plant species including flowering dogwood, mountain laurel, American holly, magnolia and wild azalea. Thundergust Lake, Parvin Lake and Muddy Run are popular destinations for fishing and boating. Within the park, nine different trails totaling more than 15 miles allow visitors to explore Parvin.

Black Oak Trail
Brown • 2.5 miles • Multiuse
Easy • Trail along southern boundary of park
Trailhead End of Cabin Colony Road. Black Oak Trail runs along the southern boundary of the park. Starting at the end of the access road to the cabin area, the trail heads southwest along Thundergust Brook until it nears Morton Avenue. The trail turns northwest and continues parallel to Morton Avenue ending near the park boundary and Centerport Road. Black Oak Trail varies in width from single to double-track as it travels through flat pine and oak forest.

TRAIL SENSE AND SAFETY
Trail Markings: Official trails are marked by colored blazes on posts and trees. For your safety and habitat protection, please stay on the trails and do not alter trail markings or create new trails.
Preparations: Consider bringing water, snacks, sunscreen, insect repellent and a hat. Dress for the weather. Tell someone where you plan to go and when you expect to return. Carry a well-charged mobile phone.
Hunting: Sections are open to hunting. Bright orange clothing is recommended during hunting season.
Pets: Pets must always be on a leash no longer than six feet in length and under the control of the owner at all times. Please clean up after your pets.
Keep It Clean and Green: Bring a bag or two and carry your trash out with you. Trash cans are not provided. Don't forget to recycle!
Bike Riders: Follow the IMBA “Rules of the Trail” guidelines for trail etiquette and yield appropriately. Helmets are required by law for children under 17 and recommended for all riders.
Tick & Chigger Protection: Bring insect repellent, wear light-colored clothing, tuck pants into socks, stay on trails, check yourself thoroughly, shower and launder clothes immediately.
Bear Aware: Black bears are found throughout New Jersey. Do not approach or attract bears by making food available. Feeding bears is dangerous and illegal. Never run from a bear! To report an aggressive bear, call 1-877-WARN-DEP (1-877-927-6337) immediately. Please report any damage or nuisance behavior to the park office. Visit the New Jersey Division of Fish and Wildlife at www.njfishandwildlife.com for additional information on bear safety.
