**Lead Service Line Notification and
 Compliance Certification Form**

Submit this form and a copy of the service line notifications to the Department at watersupply@dep.nj.gov with the subject line “Notification and Compliance Certification Form PWSID XXXXXXXX.” If the notification was distributed in multiple languages other than English, include a copy of the notification in each language it was provided.

PWSID:		Water System Name:	
--------	--	--------------------	--

Check the appropriate box and provide information as indicated below.

If the water system does not have any known lead service lines, newly identified lead service lines, or unknown service lines and did not send any notification this year, check this box:

If the water system has newly identified lead service lines this year, was notification sent in accordance with State and Federal requirements?

Yes No N/A

Date of notification (if applicable)? _____

If the water system has previously identified lead service lines, was notification sent in accordance with State and Federal requirements?

Yes No N/A

Date of notification (if applicable)? _____

If the water system has unknown service lines, was notification sent in accordance with State and Federal requirements?

Yes No N/A

Date of notification (if applicable)? _____

By checking this box, the supplier is certifying that it is in compliance with the Safe Drinking Water Act, N.J.S.A. 12A-40 through 47, and that they have complied with the consumer notification of lead service line materials as specified in 40 C.F.R. 141.85(e).
