* **Program Interest (License) #:**

* Required

If you do not have your paper invoice and want to look it up, then go to <https://njems.nj.gov/DataMiner/#> . Click on the Search by Category button (see below). Please note renewal invoices are generated on August 1st (or next business day) of each year. Renewal invoices will not generate if TCHs are due and have not been credited in our database.

Then select Billing Information from the Report Category dropdown field and click on the Submit button (see below).

A screenshot of the "Search by Category" form. At the top, there is a breadcrumb trail: "Home > Search By Category". Below this, there are two tabs: "Category" (selected) and "Keyword". The main form area is titled "Search by Category" and contains a welcome message: "Welcome to the New Jersey Department of Environmental Protection's online reports portal, NJDEP Data Miner. Within you will find a variety of reports and subjects. In order to provide flexibility, many of these reports require the user to enter some criteria, which will result in a customized report." Below the message is a "Report Category" dropdown menu with "Billing Information" selected. At the bottom right of the form is a green "Submit" button.

Click on the Outstanding Bills Report at the bottom of the screen (see below).

Welcome to the New Jersey Department of Environmental Protection's online reports portal, NJDEP Data Miner. Within you will find a variety of environmental media and subjects. In order to provide flexibility, many of these reports require the user to enter some criteria, which will result in a report.

Report Category

Billing Information

The Billing Information category contains reports to provide various information on invoices issued to the regulated community from within the state (to Collections, Closed, Canceled, etc.), as well as payments made to the invoice and monies withdrawn from the invoice (withdrawals may be done through the Outstanding Bills report, a PDF invoice replica of the invoice can be generated, saved and used to make payment).

- [▶ Invoice Status Report](#)
This report will provide you with the current status of one or more invoices and show any payments made to or withdrawn from the invoice, if applicable.
- [▶ Outstanding Bill Search by Site](#)
Please note that you need a Program Interest Id Number to run this report. If you do not know the ID number, please run the FIND YOUR PROGRAM INTEREST NUMBER report. This report identifies all outstanding bills for a site and information for paying bill online and allows generation of an invoice for payment.
- [▶ Outstanding Bills Report](#) ←

This report lists outstanding bills by program interest.

From the dropdown, select **Water Supply** (for T, W or VSWS licenses) or select **Water Quality** (for C, N or S licenses) and in the Program Interest Number enter your License number (include any leading zeros if applicable) and then click Submit (see below).

Outstanding Bills Report - Report Criteria

This report lists outstanding bills by program interest.

Enter Program Interest Number:

Select Program:

View Report by Pages

On the next screen you will see a link to the Invoice number. If you click on the invoice number, this will bring up a copy of your renewal invoice.
