## **ALL-DOMAIN COMMAND AND CONTROL OPERATIONS**

**(Changed 30 Apr 24)**

1. **Specialty Summary.** Manages and performs activities within fixed ground, mobile and airborne command and control (C2) facilities such as installation and expeditionary command posts (CP), operations centers, rescue coordination centers, and Higher Headquarters Command Centers/Operations Centers. Provides command, control, communications, and information support throughout the full spectrum of operations to include peacetime, emergency and disaster situations, crisis, contingency, and war. Responsible for emergency action messages from the Chairman of the Joint Chiefs of Staff, Headquarters Air Force, Headquarters Space Force, or Combatant Commands. Disseminates time-sensitive critical information to senior leaders and support agencies. Establishes procedures for Department of the Air Force (DAF) Operational Reporting Program. Reports international treaty compliance information. Uses communications systems and consoles to affect positive control of assigned forces and weapons systems. Supports chemical, biological, radiological, and nuclear (CBRN), and conventional warning and reporting activities. AFSC Duty Identifier: C2OPS. Related DoD Occupational Subgroup: 125000.

### **2. Duties and Responsibilities:**

2.1. Performs Command, Control, and Communications (C3) actions to support National Defense, Homeland Security, and All-Domain Air and Space Force operations throughout the full spectrum of operations. Provides a single, consolidated C2 center to monitor mission execution of wing/installation commander assigned or supported missions (to include tenant, joint, and combined missions) by fusion of data from disparate C2 nodes across the installation (BDOC, EOC, AMOPS, etc.). Provides C2 of worldwide nuclear and conventional forces supporting Emergency Plans, Operations Orders, and Operations Plans. Coordinates the execution of Mission Type Orders (e.g., Warning Orders, Tasking Orders, Prepare to Deploy Orders, Planning Orders and Execution Orders). Supports joint force operations and Joint All Domain Operations (JADO) through the combined Joint All Domain C2 (CJADC2) concept. Facilitates C3 in support of the Air Force Emergency Management (EM) Program. Provides functional expertise to ensure synergy among the various components of the Air Force EM Program. Coordinates actions to ensure prompt response during EM operations including immediate mobilization of resources and participation of agencies and organizations. Liaisons communications/supports first responders to provide life-saving response support to base personnel. Receives, processes, and disseminates emergency action messages via voice and record copy systems. Encodes, decodes, and transmits and relays presidential decisions to execute and terminate nuclear and conventional force operations at all levels of command, both on the ground and in-flight. Relays C2 instructions for diversion, recall, evacuation, recovery, and reconstitution of forces. Coordinates and executes search and rescue activities. Coordinates with other agencies and organizations during planning, executing, and evaluation phases of C2 operations. Executes Aerospace Control Alert mission as quick response launch authority for immediate intercept, inspection, influence, or defeat of potential airborne threats. Flight follows and manages aerospace resources and monitors mission status to include aircraft, aircrew support, transportation, maintenance support, fleet services, and passenger and cargo support. Monitors aircraft movement and relays information between aircrews and operations centers. Coordinates mission delays with installation and external agencies. Monitors status of launch and space assets. Monitors status and location of key personnel to facilitate immediate communications with higher headquarters. Ensures proper use and control of resources and classified material. Develops and evaluates C2 Operations processes. Performs self-assessments. Ensures operational readiness and adherence to standards. Recommends actions to correct C2 Operations procedural deficiencies. Maintains and disseminates local and worldwide current and forecasted weather to include watches, advisories and warnings to installation populace and aerospace resources. The functional organization for the exercise of mission command authority and direction by a properly designated commander over assigned and attached forces in the accomplishment of the mission.

2.2. Manages and executes the DAF Reporting Program. Prepares and submits Operational Reports (OPREP) and Commander's Critical Information Requirement (CCIR) reports, attainment/deviation reporting, nuclear execution reporting (NEREP), international treaty, and aerospace asset reports. Analyzes and disseminates information derived from DAF reporting. Establishes policy for operational and, if applicable, defense readiness reporting to include developing procedures, maintaining databases, and training personnel. Ensures reported data is current and accurate.

2.3. Operates and monitors voice, data, and alerting systems. Develops operating instructions directing All-Domain C2 Operations and lateral agency C2 activities. Develops, maintains, and initiates procedures to save lives, protect resources, and rapidly disseminate time sensitive information. These procedures support situations such as suspected or actual sabotage nuclear incidents, natural disasters, aircraft accidents or incidents, evacuations, dispersal, and aerospace anomalies. Receives and disseminates time-critical information to and from the commander to internal and external agencies during daily operations, natural disasters and wartime and contingency operations to affect positive control of assigned forces and weapons systems. Coordinates actions to ensure prompt response during disaster operations (pre-, trans-, and post-), including immediate activation and recall of all resources and participating agencies and organizations. Monitors actions to preserve life, minimize damage, and restore operations following natural disasters (trans- and post-), accidents, wartime attacks, and military operations other than war. Coordinates, directs, and monitors actions to allow continuation or restoration of vital functions and

operations. Maintains operational status displays. Maintains proficiency in C2/CJADC2 systems and aircraft flight following and mission management systems. Establishes manpower, communications, equipment, and facility requirements. Monitors and alerts local and base agencies of threats affecting the installation.

2.4. Maintains Communications Security (COMSEC) to include receiving, safeguarding, utilizing, inventorying, issuing, and destroying COMSEC material. Maintains personnel, information, operations, computer, emission, industrial and physical security programs.

2.5. Performs administrative actions. Compiles and maintains entry authority lists. Coordinates and provides input to installation support plans. Maintains directives and daily events log. Updates and maintains national, HHQ, or installation key personnel rosters. Performs as the Installation's Emergency Mass Warning Notification (EMWN) program manager for mass notification systems.
