The Department of Banking and Insurance is revitalizing the Insurance Fraud Advisory Board to ensure both the industry and Department are actively working together to identify trends, issues and other emerging matters related to fraud in the marketplace. Members of the industry are invited to apply to participate in these efforts through Board membership.

The term of selected members, as established under N.J.S.A. 17:33A-8(e), is two years. Members of the board will not be compensated.

The following expectations have been set for the Insurance Fraud Advisory Board:

- Members are expected to attend three out of the four in-person meetings that will take place throughout the year. Meetings may fluctuate between locations of Trenton, Whippany, and Newark.
- Active productive participation on the board, both during scheduled meetings and as needed in between sessions.
- Commitment to the goals of the Board and a collaborative spirit to work with DOBI staff and industry partners to help reduce the occurrence of fraud in the state.
- Agenda items must be provided by the deadlines set by the External Affairs Team.

Interested individuals can submit their application of interest through the Department of Banking and Insurance website. Candidates with further questions can email fraudadvisoryboard@dobi.nj.gov. Responses to the form will be accepted through August 15th, 2026.

Very truly yours,
