# BULLETIN OMC 2005-02

TO: All Carriers Subject to the Health Care Quality Act, P.L. 1997, c. 192 (generally

codified as N.J.S.A. 26:2S-1 et seq.)

FROM: Marilyn Dahl, Deputy Commissioner, New Jersey State Department of Health and

Senior Services /s/MD

DATE: June 30, 2005

RE: Designation of Hemophilia Home Treatment Providers; State-recognized

**Outpatient Regional Hemophilia Treatment Centers** 

#### Designation of Hemophilia Home Treatment Providers

In accordance with N.J.S.A. 26:2S-10.1, the Department of Health and Senior Services (Department) is required to develop a list of providers determined to be eligible to provide home treatment services for bleeding episodes associated with hemophilia (designated hemophilia home treatment providers) with which carriers are permitted to contract for the provision of hemophilia home treatment on an in-network basis when a carrier is offering health benefits plans that are managed care plans. The term "carrier" is defined at N.J.S.A. 26:2S-2 to mean an insurance company, health service corporation, hospital service corporation, medical service corporation or health maintenance organization authorized to issue health benefits plans in New Jersey. The term "health benefits plan" is defined at N.J.S.A. 26:2S-2 to mean a benefits plan that pays or provides hospital and/or medical expense benefits for covered services, and is delivered or issued for delivery in New Jersey by or through a carrier. (See N.J.S.A. 26:2S-2 for specific inclusions and exclusions.) The term "managed care plan" means a health benefits plan that integrates the financing and delivery of appropriate health care services to covered persons by arrangements with participating providers who are selected to participate in the carrier's network of providers on the basis of explicit standards to provide services and financial incentives for covered persons to use the participating providers and procedures to obtain services specified in the health benefits plan. For further interpretation of these terms, refer to N.J.A.C. 8:38A.

The Department promulgated rules at <u>N.J.A.C.</u> 8:38C-2 and 3 to implement the provisions of <u>N.J.S.A.</u> 26:2S-10.1 through 10.3. Among other things the rules at <u>N.J.A.C.</u> 8:38C-2 establish procedures and standards by which providers may submit applications to become designated hemophilia home treatment providers, and by which the Department will review such applications. In general, the application period will occur annually in the month of September, but initially, the Department provided for an application submission period of 60 days following adoption of <u>N.J.A.C.</u> 8:38C-2 and 3, ending February 4, 2005.

The Department received nine applications, eight of which were determined either to be incomplete and/or not in substantial compliance with the requirements of N.J.A.C. 8:38C-2. In

accordance with <u>N.J.A.C.</u> 8:38C-2.6, the Department requested additional information from the applicants submitting incomplete applications, and applications not in substantial compliance. The Department provided the applicants 45 days from the date of the written notice in which to respond to the Department. Seven of the applicants responded. Following review of this additional information, the Department has determined that a total of six applicants should be designated as a hemophilia home treatment provider.

The following companies are designated as hemophilia home treatment providers, effective through August 31, 2008, or September 30, 2008 if a designee submits a renewal application no later than August 31, 2008, unless there is a change in the status of the designee that makes the designee ineligible for the designation at an earlier date:

- 1. ADIMA d/b/a BioScrip, effective as of April 12, 2005.
- 2. ACCREDO Health Group, Inc., effective as of June 13, 2005 (conditional approval effective from April 12, 2005 through June 12, 2005).
- 3. Caremark Rx, Inc., effective as of June 13, 2005 (conditional approval effective from April 12, 2005 through June 12, 2005).
- 4. Hemophilia Resources of America, effective as of June 13, 2005 (conditional approval effective from April 12, 2005 through June 12, 2005).
- 5. Pediatric Services of America, INC., effective as of June 13, 2005 (conditional approval effective from April 12, 2005 through June 12, 2005).
- 6. Children's Hospital Home Care, effective as of June 13, 2005 (conditional approval effective from April 12, 2005 through June 12, 2005), but for a limited service area only. The service area for Children's Hospital Home Care is set forth in the Appendix to this Bulletin.

There are several issues that carriers must keep in mind while trying to comply with the rules at N.J.A.C. 8:38C-2 and 3.

- While there is no requirement that a carrier terminate a contract with any particular health care
  provider solely because that health care provider is not designated as a hemophilia home
  treatment provider, the carrier is obligated to have one or more designated hemophilia home
  treatment provider available to provide services on an in-network basis for the home treatment of
  hemophilia, and may not refer a member to an undesignated health care provider for such
  services.
- Carriers must remember that they have an affirmative obligation to provide assistance to their
  members in obtaining services from appropriate in-network providers, and to provide benefits to
  members on an in-network basis in the event that the carrier refers the member to an out-ofnetwork health care provider for services.
- No carrier may contract solely with Children's Hospital Home Care for the provisions of services
  for the home treatment of hemophilia unless the service area of the carrier and the service area
  of Children's Hospital Home Care are the same, and the carrier's enrollment is such that a single
  hemophilia home treatment provider is permissible. The Department is not aware of any carrier
  meeting these criteria at this time.

In accordance with the statutes and rules, the Department is issuing a public notice about the designated companies. However, the designation is effective as of the date of the Department's notice to the company, and carriers and the company may rely upon the letter of designation. The Department will issue subsequent bulletins as well as public notices as the status of applicants change, including changes in a service area.

### State-recognized Outpatient Regional Hemophilia Treatment Centers

In addition, the Department is required by N.J.S.A. 26:2S-10.2 to designate hospitals with outpatient regional hemophilia care centers at which carriers offering health benefits plans that are managed care plans shall make payment for services provided through the clinical laboratories of such hospitals when such a carrier's member or covered person obtains services there upon the determination of the member or covered person's attending physician that use of the hospital's clinical laboratory is necessary for reasons specified at N.J.S.A. 26:2S-10.2. The requirement that carriers make payment is regardless of whether the clinical laboratory is in a carrier's network for purposes of the managed care plan. Through the promulgation of rules, the Department has determined to recognize and rely upon the U.S. Department of Health and Human Services' regional hemophilia treatment center designation for the State of New Jersey as satisfying the Department's obligation to designate outpatient regional hemophilia care centers. Thus, the State-recognized outpatient regional hemophilia treatment centers may be found routinely among the list of Federally-designated hemophilia treatment centers, set forth on the Internet at

#### www.cdc.gov/ncidod/dastlr/hemotology/htclist.htm

or

#### www.cdc.gov/ncbddd/hdb/htc list.htm,

or by contacting the Maternal and Child Health Bureau within the Health Resources and Services Administration of the U.S. Department of Health and Human Services. **The following are State-recognized outpatient regional hemophilia treatment centers:** 

Children's Hospital of Philadelphia Specialty Center New Jersey Section of Hematology/Oncology 1012 Laurel Oak Road, Building 1014 Voorhees, NJ 08043 HTC ID: 152 Region III

> Children's Hospital of New Jersey Newark Beth Israel Medical Center Valerie Fund Children's Center 201 Lyons Avenue at Osborne Terrace Newark, NJ 07112 HTC ID: 070 Region II

Newark Beth Israel Medical Center Adult Hematology Programs 201 Lyons Avenue Newark, NJ 07112 HTC ID: 070 Region II

St. Michael's Medical Center
Nadeene Brunini Comprehensive Hemophilia Care Center
268 Martin Luther King, Jr. Blvd
Newark, NJ 07102
HTC ID: 055
Region II

UMDNJ – Robert Wood Johnson University Hospital New Jersey Regional Hemophilia Program Division of Hematology One Robert Wood Johnson Place P.O. Box 2601 New Brunswick, NJ 08903-0019 HTC ID: 054 Region II

Any discrepancies in the Department's list of State-recognized outpatient regional hemophilia care centers, and Federally-designated hemophilia treatment centers shall be in favor of the Federally-designated hemophilia treatment center information.

Questions regarding this bulletin may be forwarded to Sylvia Allen-Ware, Director of the Office of Managed Care at (609) 633-0660 or by fax at (609) 633-0807 or by email at <a href="mailto:Sylvia.Allen-Ware@doh.state.nj.us">Sylvia.Allen-Ware@doh.state.nj.us</a>.
