Re: Annual Filing Fees

Effective June 30, 1995, the State of New Jersey passed a special purpose funding bill (P.L. 1995 c.156) that requires that the expenses incurred by the State in connection with the administration of the special functions of the Department of Banking and Insurance relative to the financial regulation, supervision and monitoring of insurers and health maintenance organizations be apportioned among insurers and health maintenance organizations doing business in New Jersey. The bill also provides that companies that pay the special purpose apportionment do not need to pay annual filing fees.

Therefore, please complete the following and return with your annual statement filing:

DIRECT WRITTEN PREMIUMS IN NEW JERSEY \$ _____
(Total)

in 2024 by _____
(Company Name)

If the amount in the above blank is greater than -0-, your company does not owe any filing fees in New Jersey for 2024. However, if your company had no direct premiums written in New Jersey in 2024 it owes the greater of \$100 or the amount your State of domicile would charge a like New Jersey Insurance Company to file its annual statement and renew its Certificate of Authority. Please remit the appropriate amount by March 1st electronically via [ACH/Wire Instructions Form](#) along with this [Annual Statement Fee Letter](#) for your annual statement filing. All fees will be subject to audit. However, if you choose to mail your fee to the Department directly via USPS or a Courier Service follow instruction on the appropriate Annual Statement Checklists and make your check payable to **State Treasurer of New Jersey**. Thank you.
