

# October 2015 Meeting: Groundwater Management

## Today's Goals :

- Identify all known programs/areas & presenting agencies
  - NJ Highlands
  - NJ Pinelands
  - NJ Critical Areas 1 & 2
  - Delaware Coastal Plain
  - SEPA – GWPA (DRBC/PA lead)
- Identify key items for October presentations
  - Brief history of each program (why it is specially managed)
  - Description of project & program evaluations
  - Allocation methodology
  - Cover current resource status (improving conditions?)
