

Introduction to the Principal Evaluation Process

Cultivating Leadership in Others

Directions: While watching the Wallace Foundation’s “Cultivating Leadership in Others” take notes on each of the following questions. Discuss with your colleagues following the video.

1. What is the principal’s view of the evaluation process?

2. How does she approach evaluation?

3. What are **three ways** in which this principal is using the evaluation process in order to grow instructional leadership in her vice principals?
