

# NJPEPL Process Step 3: Annual Summary Conference

## Directions:

1. Watch the simulation of an annual summary conference. While watching, take notes on the following components of the conference:
  - Evidence collected/submitted regarding practice
  - Final observation score
  - Attainment of administrator goals and scores
  - SGO average score
  - Summative score (non-mSGP principals)
  - Review of preliminary annual performance report
  - Progress on PDP
  - Strengths and potential areas for growth and development
