

### Sample Rubric for Important Markers of Future Success

This rubric represents just three criteria a teacher might use to get a rough idea of how a student might perform in class. When these criteria, or others like them, are used in conjunction with other readily available information such as current grades and test scores, and grades from prior years, they can help a teacher set ambitious and achievable learning targets for students. Teachers may use this rubric as presented here or modify to meet their own requirements.
